

Support and Maintenance Teams Matrix

Depending on the level of Maintenance Agreement purchased, Imanami's Support and Maintenance Team may will respond to your request as listed in the Severity level charts below. So depending on your Maintenance Agreement level, your Priority level, and the Severity of the issue will help us to triage how support cases will be handled.

All resolution times may be increased depending on the level of difficulty to resolve the issue, which will be determined on a case-by-case basis. All issues reported by other customers with the same maintenance level will be addressed in the order they are received.
